ENGINEERING COLLEGE

Approved By AICTE, Affiliated to Osmania University

Dr. Mohammed Masood, Principal, ISLEC welcomed the members to the Second Governing Body meeting. The following items on the agenda were taken up discussion;

Agenda for Approval:

1. *Review and Approval of the minutes of Second Academic Council Meeting.*

The minutes of meeting of the second academic council held on 26 July 2025 was presented to the board, which included the corrigendum to scheme of evaluation for all the B.E. programs students admitted in academic year 2024-25. Almanac for A.Y. 2025-26, B.E, M.Tech, M.B.A – I and II Semesters - Upcoming 2025 Batch. Almanac for B.E, M.Tech, M.B.A – III and IV Semesters - 2024 Batch.

Board members reviewed the minutes of Second Academic Council Meeting and approved it.

2. *Approval of proposed budget for A.Y. 2025-26.*

The proposed expenditure budget for A.Y. 2025-26, amounting to Rs 63.0 lakhs (which include the Establishing a new computer lab, Upgrading of B.E and D.E. Labs, Upgrading and refurbishing of Civil Engg. Dept. Labs, Purchasing of 12 Smart boards , Regular Maintenance) was presented by the principal sir.

Prof. R.Rajendra Sir, and Dr. C. Srinath, asked the principal sir to present the income and expenditure of college .

Agenda for Ratification:

1. Ratification of the syllabus of B.E., M.Tech and M.B.A, III and IV Semesters.

The approved syllabus of B.E., M.Tech and M.B.A, III and IV Semesters. by BOS of all departments conducted during the month of June - July 2025 was presented. The board members ratified the scheme and syllabus of III and IV semesters for all departments.

Approved By AICTE, Affiliated to Osmania University

2. Ratification of Skill Development Certification Courses.

The BOS of all depts had approved the introduction and conducting of one department specific skill development course per semester.

Prof. R.Rajendra Sir and Mr, Arul Raj suggested that these courses must be in line with the market demand and include department specific skills, so that the student at the time of graduation is employable.

Prof. R.Rajendra Sir specifically suggested to take the feedback from employers during recruitment drives and plan Campus Recruitment Training (CRT) for the graduating students so as to cater to the market demand.

Agenda to Note:

1. Notable achievements of the college in the last academic year 2024-25.

Principal sir presented the achievements of the college, faculty and students, during the academic year 2024-25, in various activities, patent filing, research proposals submitted, paper publications, project prototypes, extra curricular activities

Board members appreciated the achievements of the college.

Suggestions:

The following suggestions were given by Prof. R.Rajendra Sir;

1. Prof. R.Rajendra Sir strongly suggested to include department and domain specific NPTEL courses as elective course with credits, with a maximum of 6.0 credits. The college assured that NPTEL courses would be included from III year onwards and taken up in the next year academic council meeting.
2. Prof. R.Rajendra Sir also suggested to encourage faculty members to complete one NPTEL course per semester to enhance their subject knowledge.
3. College to present the pass percentage for academic year 2024-25, (distinction, first class, second class etc..), department wise.

ENGINEERING COLLEGE

Approved By AICTE, Affiliated to Osmania University

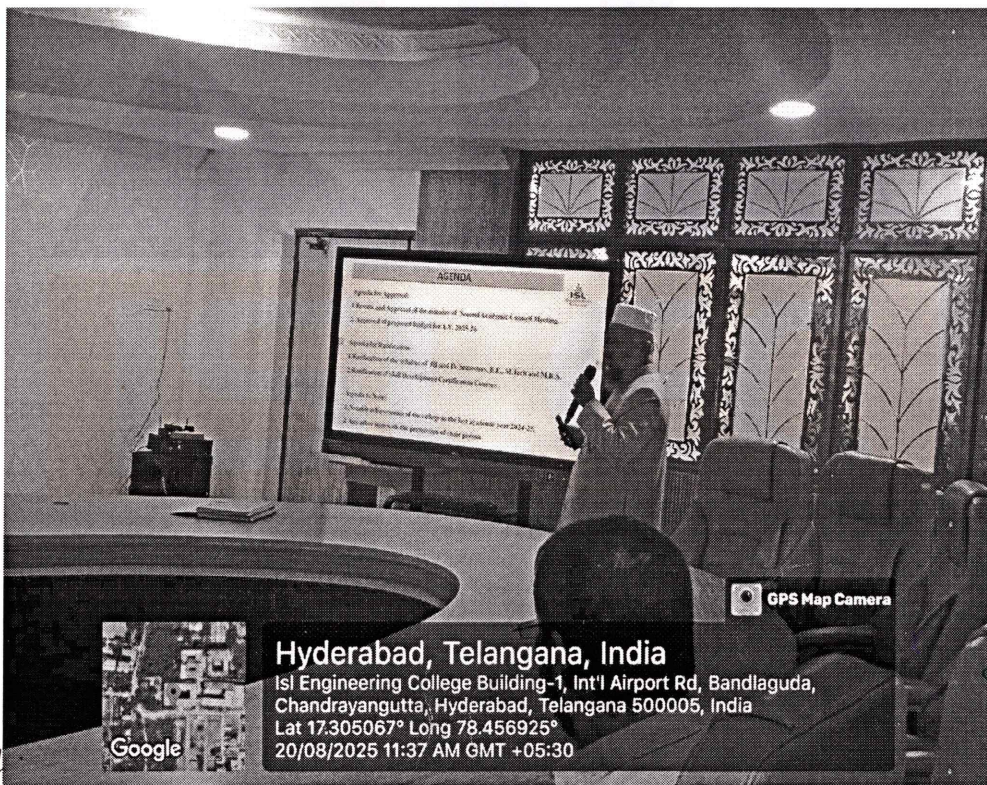

4. College to take appropriate steps to increase the pass percentage of students, example remedial classes.
5. College to present the placement data for academic year 2024-25, with the highest, average and lowest package, higher education, self employment, entrepreneurship,
6. More students to be encouraged to qualify for GATE and other Competitive exams by proper planning and conduct of Competitive Exams Training, which should improve their department specific technical skills, soft skills, communication skills, computer skills and behaviour skills.
7. Introduce market and industry oriented software courses.
8. College to purchase licensed dept specific software for use in research / major project. Example; Matlab and it should be kept in a laboratory easily accessible and usable by all those needed.
9. College to rank their short term and long term goals based upon their priority.
10. Motivate faculty and students by giving incentives for their achievements.
11. College to keep a complete record of students and faculty registering and getting certificates for NPTEL Courses.
12. Each faculty to have Google Scholar ID and Vidwan ID.

A collection of handwritten signatures in blue and green ink, some with names written below them, including 'D. S. S.', 'S. S.', and 'S. S.'. A purple stamp is visible on the right side of the signatures.
